### PRAYER CONCERN

Please keep Bob Pangilinan's fellow countrymen in your hearts and prayers as the victims of the mudslides in the Philippines. Bob said the tragedy occurred in a different part of the country from where his family was settled, but no matter, our heartfelt sympathies are with our human brethren.

### CD'S ADDED TO LIBRARY:

Frank Muriel has donated some of his CD collection to the GHC library. These include artists such as Toots Thielmans, George Fields, and other famous artists. You may check these out of the club library for your listening enjoyment. Frank has also donated a large supply of his sheet music and publications to be shared. These selections include many jazz arrangements. Thanks for your generosity, Frank!

### STEPPING UP TO THE PLATE -- PINCH HITTER

Rich Krueger had no sooner expressed a wish to return something to the club than he was asked to play chord at a Salvation Army event when no other chord player was available. With one day's notice and never having practiced that part with the players, Rich came through (like the pro he really is) and we had a successful gig. We appreciate the interest Rich shows in club matters and thanks also to all the other faithful and loyal unsung heroes who step up and play at the gigs and sometimes travel quite the distance!

### VISITORS

Doreen Scurlock visited the club meeting on February 28, 2006 from the Buckeye State of Ohio. Other visitors included a guest of Bob Pangilinan, Joseph Hampel.

To: Gateway Harmonica Club  
 From: 100 Neediest Cases (St. Louis Post-Dispatch)

Thank you for your groups generous gift of \$200.00 contributed to our 100 Neediest Cases 2005 campaign. Not one penny of your donation was spent on administrative costs thanks to our co-sponsors United Way of Greater St. Louis and the St. Louis Post-Dispatch.

Cash donations like yours made it possible for us to distribute more than ever before, \$1.3 million to 10,604 needy families in the Greater St. Louis area last year.

(Here several thank you notes from individuals were included.)

The 100 Neediest Cases is special for many reasons, including our all-volunteer staff that works hard to implement this worthy program. But the foremost reason is you. Thank you for sending your charitable dollars to us. Together we are making a positive impact on needy families right in our own community.

Sincerely,  
 Vanessa Wayne, Director

To: Gateway Harmonica Club  
 From: Salvation Army

I don't know where The Salvation Army would be without friends like you. More importantly, I don't know where needy people in our community would turn if not for your compassion and generosity. You are truly a light in their dark world.

The Christmas season is a time when we normally receive a great deal of generous support. Yet, it is also a time when our services are needed more than ever, placing a severe demand on our cash resources.

With 2005 drawing to a close, I am concerned because in order to keep "doing the most good" we must end the year in a strong financial position – ready to respond to the many requests for help that will come our way in 2006. To do that, we must depend on caring friends like you to provide hot meals, shelter and clothing, medical help and emergency aid.

You have already given so generously to The Salvation Army, and I am deeply grateful. In fact, you are one of our most faithful supporters. The reality is that the needs of homeless, hurting and hungry souls in St. Louis will continue long after the holidays are over. And as long

as there are people in crisis, we can never relax our work. Thank you and God bless!

Major Lonneal Richardson  
 St. Louis City Commander

To: Gateway Harmonica Club  
 From: Salvation Army

I want to personally thank you for your gift of \$500.00 Your gift will help thousands of families affected by Hurricane Katrina. We, at The Salvation Army, are grateful for your compassion toward our southern neighbors.

Katrina is considered the most catastrophic hurricane in U.S. history. The Salvation Army prepared for the arrival of Katrina and is now serving in the devastated areas providing food, water, spiritual and emotional guidance. We are also providing varied levels of support to those who are making St. Louis their temporary, and in some cases permanent, home.

You know from news accounts and other related stories that many individuals and families are facing the traumatic effects of this hurricane on a daily basis. Because of your compassion and caring, you chose to partner with us to provide help and hope for thousands now and in many days to come.

Ministering to the hearts of those in the midst of disaster and despair is the work of The Salvation Army. It is the sharing of God's love wherever the need seems most severe, and it knows no barrier.

Again, I thank you for helping The Salvation Army as we go about our business, "Doing The Most Good." May God bless you!

Robert E. Thomson, Major,  
 Divisional Commander

To: Gateway Harmonica Club  
From: Catholic Charities, Archdiocese of Saint Louis

Thank you for your generous gift of \$500.00 to help survivors of Hurricane Katrina that has caused catastrophic destruction along the Gulf coast.

Your gift, combined with gifts from other St. Louis donors, will help United States citizens decimated by this destruction. 100% of the money donated will be used to aid the people most affected by this horrendous tragedy.

We are in daily contact with our Catholic Charities St. Louis Hurricane Response Team, which is working with local authorities to provide food, clothing, shelter, and transportation throughout our area for the 6,000 evacuees who are currently calling St. Louis “home.”

Of course, as each day unfolds during this unprecedented hurricane season, we anticipate more assistance will be needed. Some people will relocate temporarily or permanently in Saint Louis. The Catholic school systems will provide open doors for education. Our Catholic Charities Housing Resource Center will find shelter and basic needs. Our Catholic Charities Federation will help find employment for those who can work. Our Catholic Counseling Services will be available around the clock to provide professional care.

Contributions like your gift confirm the generosity of the people of St. Louis. On behalf of Catholic Charities, we thank you for reaching out to help these survivors. They many never know your name but your kindness, at a time like this, will help to lessen their suffering.

May God bless you and your families throughout the year.

Sincerely,

Dan Shasserre  
Vice President Development and Communications

From: Make-A-Wish Foundation

*“I wish I didn’t have this medical condition.”*

*“I wish they’d find a way to make me well, again.”*

*“I wish for something—like a swimming pool, or a trip to Disney World, or maybe a chance to meet my hero—that will give me a break from all the medical treatments, show me how much people care; and give me hope for the future.”*

While the Make-A-Wish Foundation of Metro St. Louis could not grant this child’s first two wishes, with the support for 2005-06 Stories of Light Community Campaign contributors, we will fulfill the third wish!

Pursuant to IRS Income Tax Regulations, your contribution of \$50.00 to this campaign is deductible, and no goods or services were provided by the Make-A-Wish Foundation.

Thank you for placing our Wish Children at the top of your list during this past holiday season. You have made a difference in the life of a critically-ill child at the time he/she needed it most.

Sincerely,

Sandra G. Lehrer  
President & CEO

To: Gateway Harmonica Club  
From: Cardinal Glennon Children’s Hospital Foundation

The entire Cardinal Glennon Children’s Hospital family joins me in thanking you for your recent gift of \$100.00. For your records a receipt is enclosed.

This has been a very eventful year for Cardinal Glennon. Construction is well under way on a 3-story addition that will allow the replacement of our surgery department and neonatal intensive care unit. The new NICU will have 60 beds and will break ground in hospital design, as all the patient care rooms will be private. Our surgical suites will also be relocated to the new wing. It will hold 10 rooms, nearly twice as large as the current rooms and an endoscopy imaging center will be placed next door. When completed in late 2007, Glennon will have moved one step closer to our goal of being America’s most child and family friendly hospital.

Despite these changes, one thing remains constant at Glennon and that is our mission of providing compassionate care to all children regardless of their family circumstances. This year alone we will touch the lives of over 250,000 children. None of our accomplishments would be possible without the generosity of friends such as you. Thank you for adding your strength to ours. You can be

*(continued on p. 5)*

assured of our intent to be worthy of your continued generosity.

From all of us at Glennon, best wishes for the coming holidays.

Sincerely,  
 Jim Orsund  
 Executive Vice President

**ARE YOU LONESOME TONIGHT? (SENIOR CITIZEN VERSION)**

Rich Krueger got such a kick from the following that he recorded the tune and played along and then sang the words. Many asked for a copy so it is reprinted here. Enjoy!

\*\*\*\*\*

**If Elvis had lived longer, he would have just celebrated his 70<sup>th</sup> birthday and possibly would have re-written, "Are You Lonesome Tonight," Here's how it might have turned out.**

**Are you lonesome tonight?  
 Does your tummy feel tight?  
 Did you bring your mylanta and tums?**

**Does your memory stray,  
 To that bright sunny day,  
 When you had all your teeth and your gums?**

**Is your hairline receding?  
 Your eyes growing dim?  
 Hysterectomy for her,  
 And it's prostate for him.**

**Does your back give you pain?  
 Do your knees predict rain?  
 Tell me dear, are you lonesome tonight?**

**Is your blood pressure up?  
 Good cholesterol down?  
 Are you eating your low fat cuisine?**

**All that oat bran and fruit,  
 Metamucil to boot.  
 Helps you run like  
 A well oiled machine.**

**If it's football or baseball,  
 He sure knows the score.  
 Yes, he knows where it's at  
 But forgets what it's for.**

**So your gallbladder's gone,  
 But your gout lingers on,  
 Tell me dear, are you lonesome tonight?**

**When you're hungry, he's not,  
 When you're cold, he is hot,  
 Then you start that old thermostat war.**

**When you turn out the light,  
 He goes left, you go right,  
 Then you get his great symphonic snore.**

**He was once so romantic,  
 So witty and smart;  
 How'd he turn out to be such  
 A cranky old fart?**

**So don't take any bets,  
 It's as good as it gets,  
 Tell me dear, are you lonesome tonight?**

**Ladies and gentlemen, Elvis has left the building!**
